By FY 2022 the bill's General Fund cost could be an estimated \$115 million. Local government mental health and substance abuse services will be replaced with full Medicaid coverage at a higher federal match rate for 10,600 individuals which generates General Fund savings of about \$2,000,000 in FY 2017. These savings then decline annually beginning in FY 2018 to about \$1,500,000 by FY 2022. County governments will also see savings for newly eligible inmates for Medicaid to cover some inpatient hospital medical costs.
